

Empathy Map

Date	25 June 2026
Team ID	
Project Name	Emotion Detection & Learning Support Engine
Maximum Marks	4 Marks

SAYS

- I don't understand this concept even after watching several videos.
- I wish someone could explain this according to how I'm feeling.
- I feel frustrated whenever I get stuck while learning.

PERSONA

NAME

University Student
(Self-Paced Online Learner)

THINKS

- Am I not smart enough to understand this topic?
- Why do others learn faster than me?
- If the system understood my emotions, learning would be much easier.

DOES

- Searches Google, YouTube and AI tools for explanations.
- Switches between multiple learning platforms.
- Revises topics repeatedly.
- Takes breaks whenever feeling frustrated.
- Uses online coding platforms and notes for practice.

FEELS

- Frustrated when unable to understand difficult concepts.
- Overwhelmed because of too much information.
- Anxious before assignments and exams.
- Motivated when receiving personalized guidance.
- Confident after getting emotion-aware explanations.
